Scale 41: A Model-Making Workshop

College Station, TX - The George H.W. Bush Presidential Library & Museum and the Aggieland Modeling Club are excited to host **Scale 41: A Model-Making Workshop** on **Saturday, November 7, 2026, from 10:00 a.m. to 4:00 p.m.** in the classroom at the Bush Library & Museum.

Model-making is an engaging, challenging, relaxing, and therapeutic activity for everyone. This workshop is focused on Veterans and their families as a way for them to connect and create together. The event is free to attend, and we will have modeling kits available for attendees to make and take home with them. Guests are also welcome to bring their own projects to work on as well. There will be coaches and tools on hand to help people build the kit of their choice.

The event will also include an exhibition of models created by Texas area modelers that are aligned with President Bush's career, specifically his service in the Pacific, the end of the Cold War, the Persian Gulf War, automobiles from the 1930s, and culture from the 1980s and '90s.

About the George H.W. Bush Presidential Library & Museum

The George H.W. Bush Presidential Library & Museum is one of 16 Presidential Libraries operated by the National Archives and Records Administration. Presidential Libraries preserve the documents and artifacts of our Presidents through archives, museums, and public programs, offering vital insight into our nation and democracy. They safeguard the raw materials of history: evidence of democracy at work and the continuing relevance of past Presidential decisions. Public programs and exhibits at the George H.W. Bush Presidential Library & Museum are made possible in part through the generous support of The George & Barbara Bush Foundation. To learn more, visit Bush41Library.gov

About the Aggieland Modeling Club

The Aggieland Modeling Club (AMC) is a local club focused on the hobby of scale modeling. The club members build a variety of subjects (cars, planes, Science Fiction, armor, ships, trains, figures, etc.) using many different materials including plastic, brass, paper, and wood. Modelers of all ages are welcome to attend regular meetings and workshops held across the Bryan/College Station area. To see our current events please visit:
